**DECLARATION OF EVAN GERSHBEIN REGARDING TABULATION  
OF BALLOTS WITH RESPECT TO VOTE ON FIRST AMENDED  
JOINT PLAN OF LIQUIDATION OF CIRCUIT CITY STORES, INC.  
AND ITS AFFILIATED DEBTORS**

I, Evan Gershbein, declare and state as follows:

1. I am over the age of eighteen years and I am not individually a party to these proceedings.
2. I am employed as a Senior Managing Consultant with Kurtzman Carson Consultants LLC ("KCC"), the claims, noticing and balloting agent for Circuit City Stores, Inc. and certain of its subsidiaries, debtors and debtors in possession in the above-captioned cases (each a "Debtor", and collectively, the "Debtors"). My business address is 2335 Alaska Avenue, El Segundo, California 90245. Except as otherwise noted, I could and would testify to the following based upon my personal knowledge.

---

<sup>1</sup> The Debtors and the last four digits of their respective taxpayer identification numbers are as follows: Circuit City Stores, Inc. (3875), Circuit City Stores West Coast, Inc. (0785), InterTAN, Inc. (0875), Ventoux International, Inc. (1838), Circuit City Purchasing Company, LLC (5170), CC Aviation, LLC (0841), CC Distribution Company of Virginia, Inc. (2821), Circuit City Properties, LLC (3353), Kinzer Technology, LLC (2157), Abbott Advertising Agency, Inc. (4659), Patapsco Designs, Inc. (6796), Sky Venture Corp. (0311), PRAHS, Inc. (n/a), XSStuff, LLC (9263), Mayland MN, LLC (6116), Courchevel, LLC (n/a), Orbyx Electronics, LLC (3360), and Circuit City Stores PR, LLC (5512). The address for the Debtors is 4951 Lake Brook Drive, Suite #500, Glen Allen, VA 23060.

3. On November 12, 2008, the Court entered its Order Under U.S.C. § 156(c) and Bankruptcy Rule 2002(f) Approving Agreement With Kurtzman Carson Consultants LLC and Appointing Kurtzman Carson Consultants LLC as Claims, Noticing and Balloting Agent [Docket No. 108].

4. KCC has considerable experience in soliciting and tabulating votes to accept or reject proposed plans of reorganization and liquidation. KCC worked with counsel to the Debtors to solicit votes to accept or reject the First Amended Joint Plan of Liquidation of Circuit City Stores, Inc. and Its Affiliated Debtors and Debtors in Possession and Its Official Committee of Creditors Holding General Unsecured Claims (the “Plan”) [Docket No. 5124].

5. Using information provided by financial advisors to the Debtors, KCC generated and distributed documents (the “Solicitation Packages”) relating to the Plan in accordance with the solicitation and tabulation procedures set forth in the Order Approving (I) Disclosure Statement, (II) Notice of the Disclosure Statement Hearing, (III) Hearing Date to Consider Confirmation of the Plan, (IV) Procedures for Filing Objections to Plan, (V) Voting Agent and Deadlines Related to Solicitation and Confirmation, (VI) Procedures with Respect to Certain Claims and (VII) Solicitation Procedures for Confirmation of the Plan (the “Solicitation Procedures Order”) [Docket No. 5090] as entered by the Court on September 24, 2009.

#### **SERVICE AND TRANSMITTAL OF SOLICITATION PACKAGES**

6. On or before September 30, 2009, KCC caused Solicitation Packages to be served in accordance with the Solicitation Procedures Order. KCC caused Solicitation Packages and ballots to be sent to creditors entitled to vote on the Plan in accordance with the Solicitation Procedures Order. An affidavit evidencing the service of the foregoing was filed with the Bankruptcy Court on October 21, 2009 [Docket No. 5309].

**THE TABULATION PROCESS**

7. The Solicitation Procedures Order established which creditors were entitled to receive Solicitation Packages and, where applicable, vote on the Plan. Only holders of claims in Class 3 (“Convenience Class”) and Class 4 (“General Unsecured Claims”) were entitled to vote to accept or reject the Plan (collectively, the “Voting Classes”).

8. In order to identify the holders of claims entitled to vote to accept or reject the Plan, KCC used the Schedules of Assets and Liabilities filed on December 19, 2009, the Debtors’ Amended Schedules of Assets & Liabilities filed on February 18, 2009 and claims information pertaining to the Debtors’ chapter 11 cases contained in KCC’s CaseView system (“KCC CaseView”). Using the information outlined above and with assistance from the financial advisors to the Debtors, KCC created a voting database reflecting the names and addresses of claimholders and the classification of claims in the Voting Classes.

9. Using its KCC CaseView voting database, KCC generated ballots for holders of claims entitled to vote to accept or reject the Plan (the “Ballots”). The Solicitation Procedures Order established November 10, 2009 at 4:00 p.m. Eastern Time as the deadline by which Ballots to accept or reject the Plan must be received by KCC (the “Voting Deadline”).

10. KCC received and tabulated Ballots as follows: (a) each returned Ballot was opened and inspected at KCC’s office; (b) Ballots were date-stamped and scanned into KCC CaseView; (c) all Ballots received on or before the Voting Deadline were then entered into KCC CaseView and tabulated in accordance with the tabulation rules outlined in the Solicitation Procedures Order.

11. In order for a Ballot to be counted as valid, the Ballot must have been properly completed and executed by the holder of a claim entitled to vote, or such holder’s authorized representative, and must have been received on or before the Voting Deadline.

12. Set forth below is a summary of the voting results with respect to the Voting Classes:

Total Conforming Ballots Received			
<u>ACCEPT</u>		<u>REJECT</u>	
Number	Amount	Number	Amount
Class 3 – Convenience Class			
122	\$103,628.26	5	\$4,317.50
Class 4 – General Unsecured Claims			
950	\$429,255,393.90	207	\$129,301,666.11

13. The final Ballot Report containing (a) a summary Ballot Report by Voting Class and (b) a detailed Ballot Report for each of the Voting Classes is attached to this Declaration as

**Exhibit A.**

14. KCC received several Ballots that are not included in the tabulation (the “Unacceptable Ballots”) because they did not conform in all respects with the requirements for a valid Ballot set forth in the Solicitation Procedures Order. Attached to this Declaration as **Exhibit B** is a list of the Unacceptable Ballots.

15. The Ballots received by KCC are stored at KCC’s office and are available for inspection by or submission to the Court.

16. To the best of my knowledge, information and belief, the foregoing information concerning the distribution, submission and tabulation of Ballots in connection with the Plan is true and correct.

I declare under penalty of perjury pursuant to 28 U.S.C. § 1746 this 22 day of December 2009, that the foregoing is true and correct.

Evan Gershbein  
Senior Managing Consultant  
Kurtzman Carson Consultants LLC
